At Reclaiming Our Youth Services (ROYS), our mission is to inspire and equip today's youth and their families to lead lives of positivity and productivity. We offer mentoring and tutoring for at-risk high school students in Orangeburg County, and a virtual support group called "Healing Hearts" for mothers affected by gun violence.

ROYS, a 501(c)(3) nonprofit, is expanding and seeking dedicated individuals to help advance our mission. Volunteer opportunities are available for 10th-12th grade students, college students, and the general public in Orangeburg county and neighboring communities. Training will be provided for all positions.

Available Positions:

- General Volunteers
- Social Media Specialists
- Telefundraising
- Tutors and Mentors

Compensation: We deeply appreciate our volunteers' dedication. Student volunteers can earn official community service hours, beneficial for academic requirements, scholarships, and personal growth. All volunteers are recognized for their invaluable contributions to our mission's success. Your efforts are integral to creating positive change and fostering community connections. Thank you for considering volunteering with us; your involvement makes a meaningful impact.
